We supported Ebix for English to Hindi E- learning content localisation.

" Sudeepthi and her team were very responsive and adaptable for the translation services project. We worked briefly and she met all our project requirements. She is reliable and meets schedule.

Seema Narang
Digital Learning Leader at Fliplearn Education Pvt Ltd

Naarg team supported Ebix in localising English content in Hindi that meets the user needs. Ebix requirement requirement is to localise content in a unique way that grabs the attetion of readers, we developed new format of localisation which is a perfect blend of localisation+standard terms.
