

Case study of Medien kontor

MedienKontor Movie GmbH is located in Berlin, Germany and is a part of advertising Industry of Public Relations and Related Services. They work in a variety of genres, including documentaries.

- Once, they made a documentary on the quality of turmeric.
- A significant portion of their documentary is dedicated to teaching people in rural areas how to implement organic farming practises in turmeric farming.
- Their requirements include transcription of videos, which includes English and Telugu, timestamping, and translating Telugu script into English.
- We supported them with our subject matter expert linguist and captioning expert in developing apt closed captions both in Telugu and English.
